## ETHIOPIA AFRICA BLACK INTERNATIONAL CONGRESS CHURCH OF TRUE DIVINE SALVATION NOTIFICATION BULLETIN!!! PARAMOUNT IMPORTANCE:

FREEDOM REDEMPTION INTERNATIONAL REPATRIATION WITH REPARATION OUT OF EGYPT JAMAICA AND THE WESTERN WORLD; REDEMPTION OUT OF UNIVERSAL BONDAGE OF THE BLACK HOUSE OF ISRAELITES, CHILDREN AND DESCENDANTS OF KING ABRAHAM, OUR FATHER THE BLACK CHRIST IN FLESH. HOLY EMMANUEL I, SELASSIE I, JAH RAS TAFARI!

A Black heart of love and unity to the Royal House of Black Ethiopian Israelites at home and abroad. Give thanks for life and the one and only Almighty Black life-giver who liveth and reigneth in the hearts of all flesh of all people, A MAN!

We, the Royal Cabinet and Royal Parliament of the E.A.B.I.C. selected by our President, God and King, the Most Rt. Hon. King Emmanuel Charles Edwards, the Lord's Servant, take with great pleasure this opportunity to bring to the attention of all honorable members of the

E.A.B.I.C. Church of Salvation, the advances made by our Congress in furtherance of our aims and objectives through the love and unity and International Cooperation amongst members.

It is our principal duty to act in solidarity with each other, Nationally and Internationally and in union with our like-minded members, in such a manner as to fortify our strengths and possibilities, to gather amongst us the conscious; ones who recognize our responsibility to our Congress and the Black World of People and fulfill it.

The petition of His Excellency the Most Rt. Hon. King Emmanuel I, as set forth in his mandate for our Redemption, that the peoples of Africa at home and abroad unite to ensure that our just demands for reparations are met, so that we the children of Mother Africa are adequately compensated by the enslavers/relevant authorities.

Thus, the demand for Freedom and the carrying out of the King's Mission is the noble responsibility of all of us Black Blood Brothers and Sisters at home and abroad. We the Congress are obligated to continue to organize and unite our thoughts and actions as the means of channeling our energy towards our mandated aims and objectives, within principle. Only our Congress and a people properly and consciously organized will have the capability to bring forth our Redemption. If we are to be successful in our struggle for Human Rights/Human Justice, IT MUST BE DONE through the principle of organization that our Worthy, Founder, Leader, President, God and King has declared and to which all faithful and loyal sons and daughters adhere.

The E.A.B.I.C. Church of Salvation is governed by King Emmanuel's original Royal Cabinet/Parliament which is universal and international. It governs the entire Congress from the West to the East, at home and abroad, and consists of distinguished members from Jamaica, Trinidad, Bahamas, Canada, USA, Africa, etc. The constitution is the basis on which we serve, direct and operate in the constructive achievement of the Congress's aims and objectives.

Whereas the Headquarters [HQ] is governed by a Royal Committee/s which may also consist of some members of Parliament; they are responsible for the daily administration, maintenance and operation of the Foundation, in respect to the establishment of Melchizedek righteous order, its principles, protocols and continuous monitoring of their proper implementation. Such a criteria applies to HQ and all Branches/Foundations alike.

However, the HQ should be the standard-bearer, the paragon of high moral standards, the place where everyone can come and see the conformity and practice of the livity and conduct, with the principles of right imparted by our heavenly Father, "The Most Rt. Hon. King Emmanuel, God with us, in us, and around us."

Since our Father made his trod from amongst us, the Congress at large has been in disarray,

many double standards and contrary concepts have emerged and permeated throughout the universal membership, as a result of the absence of loyalty, obedience and observation of the principles, protocols and laws that our Father has inspired, suffered and struggled for years to establish.

The state of affairs that exists today in our Congress ought to be repaired for the developmental benefit of our Congress and we all must unite in a focused, especial way to execute this repairing.

We the Congress Government are here ready and working to rectify our Congress and solidify our Parliament, the governing entity of the Congress, as some of our members have passed away and some their whereabouts are not known. At this moment we are appealing to and contacting those living Parliamentarians who are missing in action via letters and any means necessary to come forward and declare their readiness and willingness to work in solidarity, to fulfill our Lord's Command.

In the meantime, we seek to select and embrace alternative members, whose loyalty is to King Emmanuel's fundamental laws, principles and established precedents acknowledged to be governed and guided by and committed to His overall program/agenda.

The King's Mission is Freedom, Redemption, International Repatriation to our own vine and fig tree, Black Ethiopia, Black Africa, Black Jerusalem, as a Black Nation Wealth Kingdom. It is the desire of our Father to plant His Foundation in Ethiopia/Africa and bring Africa back to Black Supremacy in Righteousness of Salvation.

It is only natural that we resolve to work with determination and diligence and loyalty for the execution of this critical task assigned to us on the order of our President, God and King. To gather and solidify a committed and competent administrative Parliament that will reflect the best of our capability in the achievement of our goal. Also, the assembling of competent and committed Committees/Ministries organized for the absolute purpose of bettering our conditions industrially, commercially, socially and spiritually as concrete pillars in the development of our Congress coming forward Home to strengthen Africa's Nation Hood Building.

We commend the leadership of all the brethren and empresses whose toil, efforts and persistent work and dedication in uniting and working together, has brought the qualified experts and professionals, the farmers and laborers and all manner of workmanship to establish at this moment a solid Congress Foundation of competent, committed and Functioning Ministries.

# Education Ministry/Committee; # Already constructed and continues to construct the E.A.B.I.C.

school curriculum for grades 1-10. # Organized and facilitated youth's art competition program with mind-building educational awards to be presented and distributed on/from the 7th of February 2022.

# Agriculture Unit; # Done a great deal in rapidly educating the universal membership on understanding different types of agriculture, food processing, health and nutrition. # Currently conducting a series of nine [9] educational lectures during the months of January, February, March and April. Go to the website for scheduled program.

# IT Technology Ministry/Committee; # Set up Congress server and communication network; Secure Congress Data.

# T-shirt Committee/Trade and Clothing Sector; # Is the foundation for the Congress Clothing Line. # The clothing sector is concerned with all types of clothes manufactured in the Bobo Shanty Community. # Currently, printed T-shirts and Hoodies are available for sale along with printed ceramic cups.

The Congress has created a website [[eabic.org](http://eabic.org)] as a focal point for ensuring that information on the work of the E.A.B.I.C. Cabinet/Parliament or Task force is made readily available. And for all Congress Members who are willing and ready to make their distinct contribution to the development and upliftment of our Congress. If you were able or not to acquire expert knowledge, skills or experience and understanding in whatever constructive field, the Congress needs you, all expertise is valuable and essential to continue the organizing and rising of the standard of our Congress.

To access and fill in your E.A.B.I.C. database application form, go to the website [[eabic.org](http://eabic.org)] on the News and Events page and scroll down to database form. This will enable the Congress to access and utilize our talents in the building and development of more fundamental foundations. This is urgent. It is not an event but a continuous process, and a noble cause too for the benefit of our Congress and the Black World of People universally.

We are here to redeem the Motherland of Ethiopia/Africa and Black people in the diaspora and everywhere universally to righteousness. "To help the destitute by providing food for the poor and monetary contributions where possible as a living witness to the fostering of sound principles of spiritual and moral welfare in the implementation of our aims and objectives."

We therefore recommend that all offices, branches and camps join hands and hearts and continue to organize; come together and put our houses in order; formulate executive committees, consolidated and coordinated with the Congress and responsible for the rectification of principles, operations and functioning according to the principles/Constitution of the Congress; and bring forward the International standard that our Father, the Most Rt. Hon. King Emmanuel has set: an International code of conduct for running/operating all churches/foundation.

All Glory be to the first Man who liveth within man and woman, the everliving life, our everliving Father the Most Rt. Hon. King Emmanuel Charles Edwards the Lord's Servant. Give thanks for the Man who laid the Foundation and bring the woman upfront and give her a voice through the Woman Freedom Liberation League [W.F.L.L.] to stand as a leader beside the man, to stand to redeem the world of black woman and all daughters of the earth to a Right.

Give thanks for the Man who teach the daughters to love, understand and learn about themselves through principle. Black woman knowing herself in this time, knows that she is the mother of creation and must play her role superbly in the Black Christ Kingdom.

Above all, we must be organized. Urging everyone to join the assemblance of unity and come participate meaningfully to organize our people. This is the challenge which must be met by all of us, man and woman, all must labor and work for this noble endeavor. Do not be discouraged nor be misled by the social media perpetrators who are continuously trafficking misrepresentations, disinformation and confusion which has done much to defeat the good intentions of the Congress and has rendered our task more difficult.

Those who act deliberately and with calculation to misrepresent and hinder the works and progress of the Congress are not our allies. Such activity is demeaning and non-beneficial to the upliftment of the E.A.B.I.C., Black people of Africa and the Black Nation universally. We must be on guard to resist those who act in whatever guise, contrary to the furtherance of our aims and objects.

Nonetheless, those of us who seriously want to work for the people and transform our Father's Petition for the peoples' unity into concrete reality by hard work, are invited to participate in the weekly International Parliament House Reasoning which carries a universal attendance. Updates and responses are live and direct; also, clearance and understanding are given to the many good questions posed. To access such reasoning, you will have to send us your phone numbers and download the Zoom app if possible.

We look forward to your continued support, communication and coordination with the Congress for full free legitimate clearance and understanding on matters of concern pertaining to the Ethiopia Africa Black International Congress Church of Salvation.

We close with seven words of love: **God Is Love Let Us All Love.**
