THE ONLY BLACK CHRIST IN JAMAICA SPEAK: FOR HAD YE BELIEVED MOSES, YE WOULD HAVE BELIEVED ME, FOR HE WROTE OF ME. BUT IF YE BELIEVE NOT HIS WRITINGS, HOW SHALL YE BELIEVE MY WORD?

Blessed Love Hon. Editor:

Greetings in the name of the Most High God of Life, who liveth in all flesh. This is the Ethiopia Africa Black International Congress which stands above all organisations standing Governmental, Parliamentary, Churchical and Statecal. I, the Right Honourable Prince Emmanuel Charles Edwards am the Worthy Founder, Leader and President of this Black International Congress. The principle of this Congress stands for the poor and needy, the have-nots and those who have no helpers, to land every man and woman under their own vine and fig tree through freedom, redemption and international repatriation universally. Under the right principles of the United Nation's Declaration Charter of Human Rights, Articles 1-15, 19-30.

Who is he the gathering throng greets with loud triumphant song? It is I, Prince Emmanuel Charles Edwards, Black Secretary General of the Black United Nation, I King of the Rasses, fulfilling prophecy and history in the ends of the earth. (Isa. 9:6) "Unto us a child is born, unto us a Son is given and the government shall be upon his shoulder, and his name shall be called Wonderful, Counsellor, the Mighty God,

the Everlasting Father and the Prince of Peace."

I have taken such great concern in replying to the article as I, a Man of Right am not affiliated with members of any organisation. This letter is to the Editor of Rastafari Speaks and to every man that enquires of the Black Christ that is in us and with us. I, Prince Emmanuel Charles Edwards, the Black Christ am a free man, and I talk free. The letter quoted from the Congress correspondence was featured in your newspaper among other material that does not concern I and my Congress and does not uplift the consciousness of the readers to the true Culture and philosophy of Rastafari. Since the letter was quoted it was then deceptive and misleading to have consolidated other material with the contents of our letter as this will lead the people to believe that I, Prince Emmanuel and my Congress are associated with these organisations and their diverse teachings. I therefore call upon you to rectify this matter by publishing this letter in your next issue.

The Ethiopia Africa Black International Congress stands under the Righteous Banners of the Red, Gold and Green, the Red, Black and Green and the Black Five-point Star represent-

ing the House of Israel, along with the Blue and White United Nations emblem in the midst as our security. You omitted the Red, Gold and Green banner from among the Red, Black and Green and the Black Five-point Star which was so represented in our letter. Together these banners represent Father and Son and must be listed in that order as this is the Creational Covenant of I and I the Black House of Israel. The Red on top signifies the blood Rastafari shed to ransom the people from sin and destruction. The Gold is the wealth of the Black Nation and the Green is the prosperity of our Fatherland, Africa. Federation carries the Red below: take a look at your front page carrying an ensample of the Red down. With the Red down, the people are walking in the blood. The Red ever stands up as the right from Creation. You could not turn down the Red, for instance: holding a child upside-down for long can suffocate or kill it when the blood runs down to its head. The rainbow always forms with the Red on top, this is also a perpetual covenant between Jahovia God and the House of Israel - Remember Deuteronomy 28, the Blessing for the Obedient and the curse for the disobed-

ient.

I, Prince Emmanuel Charles Edwards am the First Rasta Man, the First Culturer of Black Supremacy philosophy in Righteousness of Salvation. I, the King of the Rasses establish the teachings of His Majesty, Emperor Haile Selassie I. My Father who seateth in Zion reigneth in the hearts of all flesh of all people. When you see one you see God - the Father and the Son are one. Three in one and one in three, ruler of earth, sky and sea, Holy Prophet Priest and King. For without the Prophet, Honourable 'John' Marcus Mosiah Garvey, Black People would have no vision; without the High Priest Melchizedec, there would be no ceremonial order of God; and without the King, His Imperial Majesty, Black People would perish. I am the same Marcus, the same King Selassie I, for my right is their right.

Man of right is God in flesh, woman of right is Goddess in flesh; men of wrong is satan in flesh and women of wrong is sataness in flesh. The Black nation is the first creation in Zion, Ethiopia, our Black heaven. Out of the Black nation cometh the white nation, therefore if you are not Black then you must be white. The last

nation to come from the womb of the Black woman is the dundoo/mulatto. I and I are the arch-angels who were living in Zion singing praises to God before Queen Victoria came in Ethiopia, our Birthland and took us captives, bringing us in the west to build her city babylon, forcing upon us the Black Nation a dead philosophy teaching of imperialism, colonialism and apartheid as ensamples of systems that disorganize and separate the Black Nation. I and I are strangers in a strange land, I and I Royal Ethiopians are scattered throughout foreign and small islands, being used as tools for the white men. The white world teaches the Black Nation out of themselves - a brutal teachment of a God without flesh. A spirit God which cannot save the world. An anti-Christ teaching symbolizes that one has to die to see God but I, the Black Christ say I am a Man in Flesh - born in flesh, spirit and blood. For spirit could not work without the flesh as the flesh could not work without the spirit. No one could die to see God in himself for God is of the living and not of the dead for the dead praise not God (Psalm 115:7). Away with the anti-Christ teachings of a God without flesh and turn to Black Supremacy teaching of God in

This Jesuit swami was a very humble man and talked to me about walking with the Christ. I asked him, "How can you walk with someone who lived two thousand years ago?"

He laughed and said, "What ignorance. Christ is a state of perfection, a state of oneness and a state of truth. Truth is everlasting reality and is not subject to death. I live with Christ consciousness. Follow his footprints."

I said, "Where are those footprints?"

And he again laughed and said, "Anywhere I go toward any direction I move, I find Him guiding me. They are everywhere, but you will have to see with the eye of your faith. Do you have that?"

I admired his love for Christ consciousness and bade good-bye to him.

flesh. Holy Emmanuel I, Selassie I, Jah Rastafari!

There is no other ambassador for my people Israel. I Jes-us was sent and come now to redeem my people universally and internationally. I the Black Christ come not to destroy flesh and blood but evil principalities and power, for I have come to pay every man according to his works. I stand as Fundamental Leader, Black Freedom Fighter defending the rights of the poor and needy and the have-nots in the ends of the earth. I Jes-u-s stand for equality and justice for all people seated upon the said throne of judgement and justice; thrones of the House of David, judging the leagues of wicked nations, Psalms 122:5 and Joel 3. All false leaders, both white and Black with white hearts who are allies of our oppressors shall be put under feet in this last judgement. I have come for my world to establish Righteousness in the earth, through Righteous laws and commandments of Black Supremacy. For Righteousness exalts a nation and sin bringeth reproach to any nation of people.

I therefore call my people Israel to come out of Babylon system for in one hour is her judgement come. Live a right in yourself in principle and integrity of Black Supremacy Divinity of the Black Christ in flesh. All Royal Ethiopians who want to return to Ethiopia are called upon to defend the Black Bill of Rights of Sovereignty as legitimate Africans, a Royal Nationhood through article 1 of the Declaration for Human Rights.

At this time I call upon you Hon. Editor to publish that I call on any man to show me his works and I will show my words and works for I have nothing to hide. Faith and works go together. Words without works is dead. My Congress was established in 1958, I was registered in the United Nations in 1967 to plead for the rights of I and I people Israel and all people. Such communication was cut off from the UN when the Jamaican government published that I was dead. I, the only authorized ambassador from Ethiopia here in Jamaica was authorized by His Imperial Majesty the King Emperor Haile Selassie I on his visit to Jamaica in 1966 when at that time he handed over to Jamaica's then ruling Bustamante government (the JLP, the said political party of this time) documents which read that all Black slave captives are to be handed over unto I Prince Edwards, the Worthy Founder and Leader and President of Black Supremacy government for the poor and have-nots. Up to this time the government of Jamaica have not handed me these documents of

importance, nor have they been put forth to the public to inform us of our rights as refugees to repatriate, and the right of our Sovereign Nationhood. Article 15 of the Universal Declaration of Human Rights proclaims that everyone has a right to a nationality.

The Black Man's Parliament, the Black Man's Government represents the Fifth Kingdom of Jes-u-s Christ in Black Supremacy here in the ends of the earth to gather all nations to their own vine and fig tree - especially we the Royal Ethiopian Black Supremacy Dignified Highness in the bonds of oppression throughout the universal earth. I Father Jes-u-s the Black Moses come to establish the commandments of old unto the Children of Israel to fulfill the right through creation livity. This is living righteously in salvation as it was in the beginning so shall it be in the end. In 1966 when Queen Elizabeth came to Jamaica she said, no one should molest I the individual man here in Jamaica for I am Lord over her lords. She also said that the government of Jamaica should send to New York at the UN's headquarters to rectify they are to release us the captives for in keeping us they are breaking the law. Provision was made by Queen Victoria who laid down 20,000,000 pounds sterling for the return of all slave-refugees. You are to publish these fundamental rights for it is your right my right, and for all Black people universally, internationally.

Of the fifteen gathering of Rastafari formed in Jamaica, fourteen of them have bowed to Federation. Of those 15 who gathered to greet the King when he came in 1966, I, the Rt. Hon. Prince Edwards was then honoured by the King, the Almighty Creator in flesh, King Alpha. Fulfilling prophecy and history (Heb. 7) when Abraham met Melchizedec returning from the slaughter of the false kings. Honours and glorification was bestowed upon me with a gold medal for my works of Righteousness here in the ends of the earth to return all people to the country of their birth through freedom, redemption and repatriation universally and internationally, especially for the Black Nation.

Sam Brown and Mortimer Planner etc are men who have given themselves unto bribery. In the early sixties Planner and Brown received money from the Bustamante Government sponsoring a delegation to Ethiopia. I was informed of the mission, I was also called upon the represent my Congress on this mission. I refused, knowing that all this was being done by the government to sabotage the rights of I and I the poor and

have-nots, Royal Ethiopia Refugees in exile here in Jamaica and scattered to the four corners of the earth. However Brown and Planner among other delegates went on the mission. Whatsoever took place I, Prince Emmanuel knew nothing of, except that my people were betrayed and misled by these false leaders along with the Bustamante government. Therefore their voice cannot be heard in this time for they have already sold out themselves.

I now say to you Honourable Editor and all readers who are seeking a right to return to Ethiopia the home of our first birth. How could these men lead my people when they continue to support our oppressors by partaking with the evil principalities of the Federation teaching which is a deadism. I, the Lord's Servant, Prince Edwards the Good Shepherd say that I am the only Rastaman of Right and with words and works in this time to bring forth the redemption of the people under right principles in Black Supremacy Divinity.

I have received nothing from any political party or government from the time I have been in Jamaica defending the rights of I and my people, for a true leader cannot be bought or bribed. My main subject is Freedom, Redemption, and International Repatriation Universally, to return all Royal Ethiopian Black Supremacy Sons and Daughters to Ethiopia, Black Africa. Not by migration for migration is national and colonial. I demand universal repatriation international with national through 7 or 9 miles of Black Star Liner ships and free water way through the Seabed. All these rights must be handed over to I, the I Am the I Am, Father Moses, by this Jamaican Government, the World Heads of Government along with United Nations Assemblies.

In your interview with Sam Brown and Jimmy Cliff, Sam Brown was quoted as saying that Rastafari is 'the children of several religions'. I, the Black Christ say that Rastafari is a culture and philosophy of Black Supremacy in flesh. It is not a religion, for religion is vain, dead, and cannot help anyone. Religion says God is a spirit, and I say God is in flesh, spirit and blood, a man, Selassie I, Jah Rastafari. Why look for the living among the dead? (Luke 24:5) Bob Marley is dead and dead men tell no tales for in the grave there is no remembrance of God. A righteous man ever liveth, for the wages of sin is death and the gift of Jah Rastafari is eternal life. The Hon. Prophet Marcus Garvey ever-liveth and in the physical structure of Idi Amin Field Marshall General fighting

for the liberation of the African, thus fulfilling prophecy when he said: If you don't see me in Jamaica in the physical temple, then look for me in the whirlwind, I shall rise in the East as a Field Marshall General, clearing out all Asians from Africa!

I, Prince Emmanuel am the said Melchizedec, though they say I was dead, the King I ever liveth. For three days I laid down my temple and rise it again to prove (1) there is no victory in death and (2) I triumph victorious over death and hell. Our Ancient Monarch Haile Selassie I, King of Kings, Lord of Lords, ever liveth to redeem 144,000 saints, chosen and elect, and children numberless as sands of the sea shore.

Reggae is not accepted in the praises of Rastafari. I am making it known to all that reggae is vain, dead, a commercial machination of the white world's money-making system: the instruments used were those used in the days of Nebuchadnezzar and the image Baal - satries and dulcimers make up reggae music. (Dan. 2, Dan. 3:5,6).

Man is music and music is man. Nyabinghi is known as the first music in Zion and earth, the ancient Nyah Congo sounds. The heart beat music that brings divine peace, love and joy of salvation to the hearts of all Royal Ethiopian Rasses. Upon the base, kety, and funda instruments of the Nyabinghi music, my hands have been taught to war and my fingers to fight to still the enemies and the avenger, putting all unrighteousness of the white world under feet, playing death and mourning in Rahab and Babylon and saving the righteous, all Ethiopian Black Supremacy Sons and Daughters at home and those abroad.

Only salvation could save the world in this time. One Salvation stands, and it is the true salvation of God in Flesh through the blood of Negus-I, Selassie I, Selassie I, Jah Rastafari. With a clean hand and pure in heart living to the 10 Commandments and keeping the Sabbath (Exodus 20 & 31) through our divine creation birth. The white world teach the Black Nation out of itself, that out of many come one people. The Black Nation is Royalties of the Earth. Why is this so? For out of the Black Man and Woman come all nations and no other nation could bring the Black world.

Come one, come all to Jerusalem Schoolroom. Jerusalem is the first schoolroom on earth. I say wherever Jerusalem is on earth is Zion (Heaven). The white world philosophy is that heaven is in the sky. There is nothing in the sky except the clouds that bring rain. The Black Man Heaven, the Black Man's Throne Room lies 11,000 miles above sea level, Black

Ethiopia, New Jerusalem, where all Black Man and Woman was before Queen Victoria take us in captivity. The world has taught of God and Satan. You have seen the works of Satan which is an evil and destructive kingdom. Forces of the devil that invented nuclear weapons, guns and other destructive devices, a kingdom of dis-unity and injustices that cannot stand in this last judgement. Righteousness is mightier than sin. Rastafari is a righteous kingdom. A people of peace, equality, justice, love, unity from the beginning. My kingdom does not carry murderers, court houses or weapons, for we are a people created for love, not war.

I am the supreme Being in flesh. I have come for my world and no one can stop it. No one can stop the Redemption of the Black Nation. No battle-ship nor any form of weapon can stop it. No battle-ship, nor any form of weapon can stop it, for the Mighty God of Daniel, Shadrach, Meshach and Abednago is sure to deliver us children from captivity. I come from Zion to Egypt - Jamaica in the ends of the earth to redeem my people Israel. I come for sinners to repentance with a clean hands and a pure heart in salvation to save their souls through Righteousness, for if any man go down in this time he shall not be able to rise again. I now call upon all true-hearted African Ascendants scattered, those at home and us abroad, to live upright within themselves through Exodus 20 and 31 to fulfill the true loyalty of God in Flesh. Change the X teachings of the devil's philosophy and hold on to the R (Right) teachings of Black Supremacy in Flesh. For the second death hath no power over God's children of right.

Africa is Right for the Black Nation therefore I and I must be Right also. Black People you are to leave out of the white men country and find your own for the Black Man was created in Black Africa, Black Jerusalem. He was not created in Europe or any other white foreign countries. Your first birth is Ethiopia/Africa. Black People are being born reincarnate in the west through slavery. We are the same, they all come back with different names but they are the same. Ancient Nebuchadnezzar and Pharaoh in this time. There is no change in them. The white world only tends to destroy I and I as a People, the United Black Wealth Sovereign Nation, Royal Black Nation Wealth Kingdom of Ethiopia, Addis Ababa, Black Jerusalem, led by the Lord of Host, I Am the I Am of the Royal lineage of King David, God of Abraham, Isaac, and Jacob.

The white nation must get out of Africa and return to Europe for Africa belongs to the Black man, woman and family.

born or unborn. Why do you continue to look to the national government? Look instead to Black Africa, the Black Man's Government, the Black Man's Parliament of Black Supremacy in Righteousness of Salvation, the 5th Kingdom of Jesus Stand for Equality and Justice, for all People.

Seven words of love: God is Love, Let us all love, Holy Emmanuel I, Selassie I, Jah Rastafari. One God, One Aim, One Destiny unto the Black House of Israel. Remember to keep the Sabbath holy (Ex.31).

I Am,

*The Rt. Hon. Prince Emmanuel  
Charles Edwards  
The Lord's Servant.*
