The Rt. Hon. Mia Mottley  
Prime Minister of Barbados  
Prime Minister's Office  
Government Headquarters  
Bay Street, St. Michael  
Barbados

Hon. Prime Minister,

We the people of the Ethiopia Africa Black International Congress (E.A.B.I.C.) Church of Salvation, on behalf of the black world of people, Ethiopian/African Royal sons and daughters, our blood black brothers and sisters at Home (Africa) and Abroad (Diaspora) universally, hope these words reach you and your loved ones in the best of health. We take this opportunity to congratulate you on your second term as Prime Minister of Barbados and on your office as chairperson of the CARICOM prime ministerial subcommittee on reparations. On behalf of our

brothers and sisters under your distinguished leadership, we are calling upon you Hon. Prime Minister to use your high office to lobby on behalf of the people, for our fundamental **Human Rights of Freedom, Redemption, International Repatriation with Reparations.**

We are agitating to secure the peoples' Rights to return to our homeland on a government-to-government level as dictated by international protocol. Our Worthy Founder, Leader, President, God and King, the Right Hon. King Emmanuel Charles Edwards, formed the E.A.B.I.C. Church of Salvation on the 1st of March 1958 and has established and accomplished a framework to bring forth FREEDOM REDEMPTION INTERNATIONAL REPATRIATION WITH REPARATION for those at home and us abroad, through Human Rights/Human Justice (Article 1-30) of the Universal Declaration of Human Rights (UDHR).

The E.A.B.I.C. has submitted letters and documents to the relevant authorities such as United Nations (UN), International Court of Justice (ICJ), Organization of African Unity (OAU) now the African Union (AU), the Arab league and all Nations that benefited from slavery and the slave trade along with Her Majesty Queen Elizabeth II, all are responsible to grant us this Right.

The matter has already been raised at a global level but needs to be championed by a signatory state of the UN and support lobbied from among like-minded member nations. We are asking all recognized member states to instruct their representatives to the United Nations to lobby for this effort.

As the Prime Minister of Barbados and the chairperson of the CARICOM prime ministerial subcommittee on reparations, we are calling upon you to bring these matters to the floor of the **United Nations (UN) General Assembly.** In view of this aim, we are looking forward to engaging in further dialogue concerning this paramount matter as soon as possible.

It is only by adhering to the principles set out in the Charter of the UN and the OAU (now AU) that we can achieve our goal of Fundamental Freedom Redemption International Repatriation with Reparations, thus echoing the voice of Honorable Marcus Mosiah Garvey "Africa for Africans those at Home and us Abroad."

Hon. Prime Minister Mia Mottley, we are looking forward to seeing you continue your distinguished administration and to act in solidarity with like-minded friends and allies internationally to participate meaningfully in fulfilling this divine Right, that we may stand by each other's side and take our rightful place on the world stage and speak with one voice, one Continent, one redeemed Africa. This will be our Victory, may God Almighty grant it to us. We are looking forward to a prompt response and an established communication from the Hon. Prime Minister. Please send all correspondence to [info@eabic.org](mailto:info@eabic.org).

We close with seven words of love; God Is Love Let Us All Love.  
(Isiah ch. 43; Micah ch. 4, Joel ch. 3)

Enclosed Documents: Four-point Agenda and Reparation Petition to the OAU (now AU).
