To, Ambassador Of The African Diaspora
Head Of Mission, Diaspora African Forum,
Hon. H.E. Dr. Erieka Bennett

10/30/2020

Hon. Ambassador,

We the people of the Ethiopia Africa Black International Congress [E.A.B.I.C.] Church Of Salvation, on behalf of the black world of people, Ethiopian/ African Royal sons and daughters, our blood black brothers and sisters at home [Africa] and abroad [Diaspora], hope these few words reach you and your loved ones in the best of health. We take this opportunity to congratulate and give our wholehearted support to you in your endeavor as the honorable ambassador of the African Diaspora and also as an African woman of excellence. Your position as an ambassador in Ghana, and you being of service to your royal black sons and daughters worldwide it's truly your calling from God as you stated in your recent interview aired on the YouTube channel. We hearken to your call and echo the voice of your message to the African Diaspora to " COME HOME, COME HOME."

We also acknowledge and honor the works and words of past and present Presidents and Heads of States who proceeded with every effort to build solidarity with like-minded persons and organizations in the diaspora, especially Revolutionary President Kwame Nkrumah, who led Gold Coast to Independence from Britain in 1957, presided over its emergence as a new nation of Ghana and declared "The

independence of Ghana is meaningless unless it is linked-up with the total liberation of the African Continent including us his African brothers and sisters in the diaspora." Further, it is necessary and desirable to interface in a structured manner with our brothers and sisters in Africa including their Governments.

We welcome and acknowledge Ghana's 2019 year of return program, it's Home-Coming Bill with legislative policies relating to the diaspora's automatic citizenship and residency etc.. and the African Union's recognition of a six region of continental and historical diaspora. We also appreciate and embrace the efforts made in strengthening the diaspora's integration through migration, but our main focus and priority is our Fundamental Human Rights to return home through International Repatriation. Ghana is the gateway to our Birthland and Heavenly Home Ethiopia/ Africa which is ours by Sovereign Right and we can't afford to give up our God given continent for an island/diaspora six region.

Nonetheless, a migration scheme will not suffice the millions of poor and have-nots, freedom fighters and descendants of enslaved Africans who cannot meet the expense of the admission fees or the fares to enter into our Homeland, let alone to purchase our birthland from which we've been robbed, and whose continuing contemporary consequences of slavery and the slave trade such as discrimination, murder, starvation, poverty and ignorance etc. from which we suffer have been perpetuated through deliberate and longstanding policies of others, centuries after legislative emancipation 1834/38.

We the people of the E.A.B.I.C. Church Of Salvation understand and realize the magnitude of sacrifices that was required to accomplish all the works that brought hope and recognition to Africa, a faith and a determination that will conquer all challenges that lies ahead and an abundance of opportunities that awaits us that shall not be squandered.

We are agitating to secure the peoples' Rights to return to Africa on a Government to Government level as dictated by International Protocol. Our Worthy, Founder, Leader, President, God and King, King Emmanuel Charles Edwards formed the Ethiopia Africa Black International Congress [E.A.B.I.C.] Church Of Salvation on the 1st of March 1958 and has established and accomplished a frame work to bring forth FREEDOM, REDEMPTION, INTERNATIONAL REPATRIATION WITH COMPENSATION through Human Rights/Human Justice,[Article 1- 30] of the Universal Declaration of Human Rights,[UDHR]. The E.A.B.I.C. has submitted letters and documents to the relevant authorities such as United Nations [UN], International Court of Justice [ICJ], The Organization of African Unity [OAU], now the African Union [AU], The Arab League and all nations that benefited from slavery and the slave trade, along with Her Majesty Queen Elizabeth II, all are responsible to grant us this Right.

However, as an official International Representative of your captive African sons and daughters exiled here in the diaspora, we beseech you to assist us in returning Home by using your high office to lobby the Ghanaian Government on behalf of your people to present our petition to the member states of the AU, that are also member states of the UN, and signatories of the [UDHR] Charter.

We would greatly appreciate it , if a country such as Ghana would push the case before the AU, and also put the matter on the agenda of the UNs' General Assembly with reference to Articles[1-13] of the United Nations Charter, as it is only by adhering to the principles set out in the charter of the UN and the

OAU that we can achieve our goal of Fundamental Freedom, Redemption, International Repatriation with Reparations, thus fulfilling the mission of the OAU that has echoed the voice of Honorable Marcus Mosiah Garvey " Africa For Africans those at Home and us Abroad. "

Honorable H.E. Dr. Erieka Bennett, we are looking forward to see you continue to act in solidarity with like-minded friends and allies internationally to participate meaningfully in fulfilling this divine Right and to extend the hand of universal brotherhood and friendship to those who desire the progress and the political and economic freedom of African people, who are willing generously and without thought of selfish gain to assist us to our feet that we may stand by each other's side and take our rightful place on the world stage and speak with one voice, one continent, one Redeemed Africa. African Unity Now! This will be our victory. May Almighty God grant it to us. We close with seven words of love; God Is Love Let Us All Love; Hence; Isiah;ch; 43, Micah;ch; 4 Joel;ch; 3.

PS; Attached are documents pertaining to achieving such goals; A Four Point Agenda and An International Repatriation and Reparation Petition to the OAU. [A.U]
